AIR 694

Test Series Programme

My name is Prajwal Chaurasia and this year, 2023, I have secured AIR 694 in UPSC civil services examination 2023. The preparation of Mains Exam became very crucial to clear this exam. And here I came to know about Answer writing Program by Apte Plus. They had created a dedicated telegram group where questions & answers were posted on daily basis, covering the whole syllabus, along with timely evaluation. Also Apte plus provided online classes exclusively for mains taken by their faculty like Environment class by Nandkumar Sir, Ethics by Sucha Ram, Dhamendra Sir, Vivek Nandak Sir and many more. In addition to this, their Mains Test series and monthly magazine IAS Gazette further added to my mains score. After clearing mains, Apte plus also conducted mock interviews which helped me in finding my name in final result. Further I am also preparing for prelims this year too to improve my rank. Thanks to Apte plus team.
