Mains Guidance Programme

Hello everyone,
I am Prajwal Chaurasia, I have secured all india rank 694 in upsc civil service exam. And during this journey, Mains is a very crucial part and here I would like to thank the team of APTI Plus because APTI Plus team had a telegram group for answer writing, they made us practice answer writing regularly for 2-3 months continuously. And the best thing about it is that timely questions were available there. Plus, the mentors used to evaluate your questions and answers daily so that your Mains marks can improve and this helped me a lot. Along with this, APTI PLUS conducted Mock Interviews whose suggestions were very useful to me in the actual interview. So once again I would like to thank the APTI PLUS team who contributed to my success.

- Strictly adhering to UPSC pattern and standard
- Sectional Tests to ensure that aspirants can cover each subject comprehensively in sufficient time and can evaluate his/her performance through the tests.
- Full-Length Mock Tests to evaluate the overall preparation level.
- Detailed analysis of Tests based on Level of Difficulty makes it easier for aspirants to evaluate their performance that strategize their preparation accordingly.

Prerequisites:

- Learn the key point of syllabus and be disciplined in your preparation.
- Read the syllabus thoroughly.
- Analyze the previous year papers.
- Keep the sources limited.
- Periodic revision is a must.
- Do not attempt tests without preparation.
- Sufficient time allocation for answer writing (via mocks).
- Allocate the months and schedule your days and weeks well in advance.

FEATURES OF THE PROGRAM

What Aspirants should do?

- Whatever that you read, try to summarize in your own words at the end of the day.
- Dedicate an hour or two each day to practice answer writing.
- Follow daily current affairs from a limited source to keep oneself updated.
- Religiously and consistently follow one source of newspaper daily.
- Pick up one test paper, attempt it and read all the solutions, highlighting the important ones.
- This will help you in memorizing the content as well as condition you to attempt appropriate number of questions. Further, these tests would also add up as your notes.

Outcome:

- Clarity regarding how much time they are going to contribute to each question (both in terms of thinking and writing down of the answer).
- Continuity and linkage between different parts.
- Answering the 'question' rather than a 'topic'
- Uncluttered presentation, underlining of key content, heading of sub-parts, diagrams/ flow-charts.
- Inter-topic linkages, catchy terms, facts and figures, case studies/ illustrations/ anecdotes.
- Balance between one's own view points on one hand and technical jargons, research studies, expert views on the other hand.
