CREATING CIVIL SERVANTS FOR THE NATION

THE COMPREHENSIVE 2 YEARS GS FOUNDATION PROGRAM

A Two Years Pre cum Mains Foundation Program

Duration: 2 years | Mode: Hybrid [Online/Offline] Class Time: 7.30AM-10.30 AM and 5 PM-8 PM

The 2-Year GS Foundation Program is an extensive Prelims-to-Mains preparation pathway designed for UPSC Civil Services Examination (CSE) aspirants. This program provides a comprehensive and strategic roadmap, focusing on building a strong foundation in content knowledge and enhancing crucial skills in problem-solving, analytical thinking, and answer writing. Our goal is to ensure thorough readiness for every stage of the IAS examination.

Program Highlights:

- **Interactive Learning:*** Engaging lectures, regular assignments, tests, and dedicated mentorship.
- **Skill Development:*** Emphasis on critical areas such as problem-solving, analytical skills, and effective answer writing.
- **Continuous Progress Assessment:*** Regular testing to evaluate understanding and benchmark progress against peers.

Why Choose a Two-Years Integrated Program?

Many aspirants start their CSE preparation journey during their college years, relying on inconsistent methods and scattered resources. This often lacks the structure and focus needed to achieve the ultimate goal of clearing the CSE.

Our two-year foundation program offers a meticulously structured, time-bound, and continuously evaluated preparation plan. This extended duration ensures a deeper understanding of subjects, comprehensive coverage of the syllabus, and ample time for revision. It keeps students consistently oriented towards their goal, making their preparation journey efficient and effective, ultimately aiming for success in the very first attempt.
