Director's Desk

Dr. Susijit Sahoo
CMD

Welcome to **APTI PLUS** Academy for Civil Services- Eastern India's premier coaching Institution for Civil Services.

The examination is one of the most prestigious examinations which draw the attention of thousands of students every year and getting through the examination is coveted and most cherished dream of many. Every year lakhs of candidates appear in the OCS, however, only a few hundred make it to the final list. The reason behind this is that OCS, through its various stages and rigorous screening process tests the suitability of the candidate for the top-ranking positions in Odisha bureaucracy.

After years of research, analysis and relentless efforts the Institute has developed a holistic, all-encompassing course structure and teaching methodology that synchronizes with the demands of the current pattern of OPSC OCS examination.

I am delighted to share with you that **APTI PLUS** Academy for Civil Services is the first Institute to buck the trend. The able guidance of our distinguished faculty ex-OPSC members, our meticulously designed course has helped thousands of candidates in realizing the dream of joining the most reputed services in our state. The unprecedented success in recent years, OPSC –2016, 2017, 2018, 2019, 2020, 2021, 2022 and 2023 has rightly reinstated the position of **APTI PLUS** Academy for Civil Services Pvt. Ltd as the Best Coaching Institution in Odisha. It has set a new benchmark by producing the highest number of OAS, OPS, OFS & ORS officers from all over Odisha. In OAS 2023, **APTI PLUS** set new benchmarks with 280+ selections including the top rankers rank- 4, 6, 7, 8, 12...

I would like to accentuate that as Civil Servants you will have the opportunity to change millions of lives everyday. India is a great country with vast resources and unmatched diversity. However, lopsided development has pushed the poverty stricken, downtrodden and marginalized sections of the society to the edge thereby widening the gap between the developed and the underdeveloped world.

I would like to reiterate that the core values of Determination, Honesty, Authenticity, Integrity, Devotion, Humanism, Holistic Learning, Social Ethics, and concern for society & environment are all closely interwoven into the fiber of our academic programs. I urge you to realize your potential by making the best use of the transformative education imparted by our premier Institute and join the Civil Services with utmost sincerity, integrity and conviction to serve the people of India and bridge the gulf between the two unequal worlds. With the aim to transform each one of you into able administrators, I welcome you to the Institute, where your commitment will be integrated with our years of experience to guide you in realizing your aspirations.

Wish you all the best in your future endeavors!

Many a time aspirants complain that they work hard, read so much, every year write mains, yet they fail to qualify for the Interview. But they fail to understand the very basic that it is one thing to have knowledge of a particular issue and quite different to put that opinion or knowledge concisely on paper and that too in time-bound manner.
